**Attribute: God is our hope**

May 20, 2020

**Definition:** One who is our confidence, trust, expectation or desire

**Scriptures:**

Isaiah 40:28-31; Do you not know? Have you not heard? The Lord is the everlasting God, the Creator of the ends of the earth. He will not grow tired or weary, and his understanding no one can fathom. He gives strength to the weary and increases the power of the weak. Even youths grow tired and weary, and young men stumble and fall; but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.

Lamentations 3:21-25; Yet this I call to mind and therefore I have hope: Because of the Lord's great love we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness. I say to myself, "The Lord is my portion; therefore I will wait for him." The Lord is good to those whose hope is in him, to the one who seeks him;

Romans 15:4 For everything that was written in the past was written to teach us, so that through the endurance taught in the Scriptures and the encouragement they provide we might have hope.

**Confession**—Silently confessing your sins to the God who forgives. *If we confess our sins, He is faithful and righteous to forgive us our sins and to cleanse us from all unrighteousness.* 1 John 1:9

**Thanksgiving**—Thanking God for what He has done. *Please no prayer requests during this time. In everything give thanks; for this is God's will for you in Christ Jesus.* 1 Thessalonians 5:18

**Intercession**—Coming to God in prayer on behalf of ourselves and/or others.

*May the God of hope fill me with all joy and peace as I trust in You, so that I may overflow with hope by the power of Your Holy Spirit.* From Romans 15:13

Leaders from the Federal branch to our own local level would lead with integrity, discernment, wisdom as from the Lord, without divisiveness or guile.

A cure/vaccine would be found and shared worldwide without greed or malice.

For each person to be personally responsible and contentious of their own health and the health of others as their area opens back up. For healing of our immune systems where needed.

For protection for those directly or indirectly caring for and dealing with people infected with CoVid19.

For the financial recovery of this nation and the world. That greed and corruption would be found out.

For wisdom and ingenuity as schools and businesses figure out how to reopen, keeping people safe from the spread of this virus.

That HOPE would be infectious. That there would be realization of God's great LOVE and Mercy and all those in need would have their needs met, physically, emotionally, spiritually, to God's great Glory. For the WILL of God not to be thwarted in anyone's life. This is a big broad prayer, but our God is bigger and broader than anything we can imagine.
