- We continue to pray for a cure for CoVid19, for swift and accurate testing and a vaccine.
- We pray for those who are ill, that they recover completely with no complications.
- We continue to pray for all those caring for the sick, directly or behind the scenes; for their body, mind and spirit, that God would sustain them and comfort them.
- We pray for all those who are suffering in any way due to isolation and social distancing; that God's great Love and Comfort would be brought to them in a very real and palpable way.
- We pray for protection for those who are at higher risk for developing this disease.
- We pray for the friends and families who have lost loved ones during this lockdown. That they would know God's sufficient Grace and Comfort as they grieve. That they would grieve well.
- We pray that Christians would be a light in this dark time. That Christ's Peace would radiate through us and that we would point the way to Jesus.
