Dear Neighbor,

Her Life Speaks (HLS) will be celebrating 11 years of volunteer service throughout 2019. As a nonprofit 501(c)(3) ministry, we host faith-based community events for women and teen girls where all are welcome. Her Life Speaks has touched the lives of thousands of women, girls, families, churches and other ministries:

- ✓ We host The Beauty Project for teen girls in the winter of 2019
- ✓ The Tri State Voice includes HLS events in their media
- ✓ HLS has been supported by Emerson Bible Church, Montclair Community Church, Grace Presbyterian Church and Moms in Prayer International
- ✓ HLS has started a new ministry 'The Table' for our young women (ages 21-31) which meets once a month at two convenient locations in addition to hosting Small Groups throughout NJ
- ✓ HLS is represented by more than 57 churches and growing 20% annually

Our biggest event of the year is our Annual Conference scheduled for March 16, 2019 at the Marriott in Saddle Brook, NJ. We are anticipating 200 women and teen girls to gather for a time of renewal. We are offering the opportunity to join us on this venture of growth by being our partner by way of sponsorship. Your gift will:

- ✓ Offer a woman or girl with a financial burden the opportunity to attend
- ✓ Encourage a hurting teen to living with her purpose
- ✓ Create community amongst women to be equipped and empowered through faith
- ✓ Change lives to better serve in a broken world

Please see the back side of this page for all the details of sponsorship. We will supply you with our tax-exempt number after receipt of your gift. **The last day for us to be able to receive your support will be December 22, 2018 for planning purposes.**

Thank you!

With Gratitude,
Candy Torres
